

Frequently asked questions

What do you do in bad weather?

We do not miss many sessions each year due to the weather but it is inevitable on occasion at an outdoor venue. If the weather is deemed too bad to play then you will be contacted at least 30 minutes prior to the start of the session.

Players aged 11 and under: When sessions are missed players will be awarded one credit and these are recorded. Once a player has 3 credits then they can come to one of our planned holiday camps without paying for the day to make up for their missed session.

Players aged 12yrs+: We are running 2 catch up sessions in 2020 from 5.30-8.30pm on:

Wednesday 8th April
Monday 19th October

When does my child move up a group?

Groups are reviewed 3 times a year: Feb Half Term / May Half Term / End of Summer holidays

Why is full payment taken in months where there are less sessions?

The cost of the 40 sessions we plan to run each Academic year are added together and divided by 12 to give an average monthly cost. Some months you will attend more sessions than the fee pays for and other you will attend less. It is averaged out.

Do you do a sibling discount?

Yes we offer 10% the monthly cost to any sibling with a brother/sister already in the coaching groups who is paying full price.
